Students absent from SACs must complete an Absence from SAC form. All procedures are detailed in the Senior School Administrative Policies and Procedures Student Handbook 2018.

In case of illness a medical certificate must be provided upon return to school. Failure to complete this task will (on most occasions) result in a ZERO grade being awarded.

Students studying a Unit 3 & 4 unit must also refer to the UNIT 3 & 4 SAC calendar for dates.

An authorised absence and rescheduling will occur only in the following situations: Participation in SIS competition, attendance at school approved excursions/activities, VET classes and absence due to illness as evidenced by medical certificate.
