

**PARENTS ARE VERY  
WELCOME TO HELP AT PADUA  
COLLEGE!**

The **Padua College Parent Group** meets once a term as a whole group and is chaired by a School Representative. Members of this group can then work with a number of sub-committees.

This allows our parent members flexibility to be involved in one or several College initiatives.

We are all very busy, but the sub-committee system means that the load is spread and so your involvement will not be too time consuming .

**2016 Parent Group Meeting Dates:**

**Term 1: Thursday 11 February**

**Term 2: Wednesday 27 April**

**Term 3: Wednesday 20 July**

**Term 4: Wednesday 12 October**

*“My husband and I went to the Michael Grose night and it was fantastic...we can't wait for the next guest speaker...”*

*“I went to the cooking night and never expected to have so much fun. Met some new people too. Also felt like we were helping and making a difference...”*

*“I love helping at the College barbecues. It was great to do something for the kids.”*

*“What a great day we had planting trees at Tyabb. Looking good...”*

## Opportunities for Parents created by Parents

- **Arthurs Seat Challenge**

Involves parents helping with this annual community event in aid of the “Fit to Drive” and “Keys Please” programs that our students benefit from.

- **Parent Forums**

This group organises a speaker to come to the College and present a Parent Forum evening. This is an annual event and previous speakers include Steve Biddulph and Michael Carr-Gregg.

- **Parent Representatives**

These representatives liaise with Catholic Schools Parent Groups and Padua Feeder Parishes

- **Social Function**

This group organises an annual social event.

Each of these sub-committees are made up of a small number of parent volunteers who are interested in promoting their work to the wider College community.

Each group has their own focus and is an integral part of the Padua Parent Group.

For more information on any of the sub-committees, please email:

[parentgroupenquiry@padua.vic.edu.au](mailto:parentgroupenquiry@padua.vic.edu.au)

- **BBQs and Catering**

Serving teas and coffees at College events. Cooking barbecues for our students on special school activity days.

- **Community Cooking Program**

Food is prepared in our College kitchens approximately once a term to fill a freezer that allows meals to be distributed to families in our Padua community experiencing difficulty like a death or illness of a family member.

- **Enviro group**

This group is taking on the task of planting trees and gardens at our new Tyabb Campus.
